LEFT AUTOMOBILE UNLIGHTED. Manager Ralph E. Thurston Fined \$1—Costs Remitted.

Ralph E. Thurston, manager of the Putnam Light and Power company, was before Judge Lucius H. Fuller on Saturday, charged with allowing his automobile to stand on the highway Friday night without lights.

The judge fined him \$1 for not having the car properly lighted. He was represented by Attorney J. Fred Carpenter.

In the absence of Prosecuting Attorney Eric H. Johnson, his assistant, Ernest C. Morse, was in court.

Captain of Police Joseph A. Ryan testified that the patrolman on the street called his attention to the car Friday night as it stood before the office of the Light and Power company.

He testified that there were no lights displayed.

Mr. Thurston then took the stand and explained that he had forgotten to turn on the lights Friday night. He had no desire to break any law and always kept his car in front of the office so as to have it ready in case of trouble.

Witness said he was often called to do work in the morning and having the car in his own barn caused much delay in case of need.

Thurston said that the car stood directly under the 400 candle power street light and directly beside the 500 candle power light at the office of the company's office. This, he thought, sufficient light and did away with all danger.

The judge found that there had been a violation of the law and found Mr. Thurston guilty. He was fined \$1 and costs, the costs being remitted.

The law allows Attorney Carpenter 24 hours in which to appeal.

C. C. Sharpe, School street, went to Worcester Saturday to take his organ lesson. He also visited his school friend, Kenneth Putnam, now a student at Clark college.

## RECOVERY OF NEW JERSEY WOMAN

Due To Lydia E. Pinkham's Vegetable Compound.

Bridgeport, N. J.—"I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound for inflammation and other weaknesses. I was very irregular and would have terrible pains so that I could hardly take a step. Sometimes I would be so miserable that I could not sleep a room. I doctored part of the time but felt no change. I later took Lydia E. Pinkham's Vegetable Compound and felt change for the better after the second day. I took it until I was in a good healthy condition. I recommend the Pinkham remedies to all women as I have used them with good results." Mrs. M. FORD T. DUMMINGS, 24 New Street, Bridgeport, N. J.

Such testimony should be accepted by all women as convincing evidence of the excellence of Lydia E. Pinkham's vegetable Compound as a remedy for all distressing ills of women such as inflammations, ulcerations, scabs, painful periods, nervousness and kindred ailments.
